

Northshore Elementary School PTA
1889 Thunderhead Road
Knoxville, TN 37922

Dear Potential Sponsor,

On behalf of the Northshore Elementary PTA, we are reaching out to our community for support of our school during the 2018-2019 school year. As a PTA, we work alongside administration, staff, and families to help create an outstanding learning environment for our students. The past two years, community sponsorships allowed PTA to provide landscaping to beautify school grounds, purchase and install an electronic sign, purchase additional playground equipment, and provide a variety of resources to our teachers for their classrooms.

As we look forward to the upcoming school year, we would like to focus on updating classroom technology and continued grounds improvement. In addition, your contributions will help provide:

- Classroom supplies & periodicals
- Encore class needs (Art, Library, Music, Physical Education & Technology)
- School-wide online learning resources
- Professional development opportunities for teachers
- Upkeep of the school clinic
- Maintenance of electronic school sign
- Faculty and staff appreciation
- PTA-sponsored events and programs

We have provided a variety of sponsorship levels and ways to contribute. Donations can be monetary, goods and/or services. You can also provide items for our live and silent auction, "Knight at the Barn," which will be October 18, 2018. Your tax-deductible donation not only will help support our school, but also will provide you an opportunity to showcase your business to a school body of approximately 1000 students and their families.

Going into our sixth year, we are continuing to build our PTA and establish our school traditions. The community is an important component of this process. Therefore, we are grateful for your consideration and look forward to your partnership with Northshore Elementary School PTA.

Sincerely,

Leah Swaggerty
PTA Vice President, Fundraising
